

Be The **Disruptor** Not The **Disrupted!**

In today's rapidly changing and hyper-competitive world, the key to success isn't to try and out work or out spend the competition. Instead, the real disruptors out THINK them!

To help you do that, we have contracted with world class training company SpearPoint Solutions to provide an interactive and educational session. Attendees will learn a *Scientific Creative Thinking Method* that will indeed help them out THINK competitors. Fun is guaranteed and there is **zero risk** because WE are covering the cost!
